

King's Games! (Koningsspelen)

On Wednesday, April 15th, we will be organizing the King's Games at school. In the morning, children will receive a festive welcome at the door from our enthusiastic staff.

It is important that children arrive in their own classrooms on time, so our 8th-grade students can pick them up promptly. Guided by these 8th graders, the children will visit various classrooms to participate in fun games and sports activities.

Please note:

- Food & Drink: Children should bring their own snack and drink to school.
- Dress Code: We would love it if the children come to school dressed in red, white, blue, or orange!

Let's make it a fun and sporty day! — *The Sports Committee*

May Holidays

Spring is in full swing, and the May holidays are just around the corner, a wonderful time to recharge and enjoy some free time.

We would like to remind you that the students will be off from April 18th until May 5th. We look forward to seeing all children back at school at the usual time on Wednesday, May 6th, to start the final part of the school year together.

Parent and Child Team (OKT) at De Meer

Boris Krajenbrink is our designated Parent and Child Advisor (OKT Watergraafsmeer). The OKT offers support to all parents and caregivers with questions regarding upbringing and child development.

Boris is present at the school every first Wednesday of the month from 8:30 AM for low-threshold contact. Additionally, he can be reached directly for consultation:

- E-mail: B.krajenbrink@oktamsterdam.nl
- Phone: 06-28506634
- Website: oktamsterdam.nl

Questions can also be coordinated through our Internal Coordinators (IB): Marjo Bos (Groups 1-3, including the intake group) and Monique Out (Groups 4-8).
