

Culture Day on June 24th: Around the World Together

On Wednesday, June 24th, the student council and the Parents' Committee (OR), commissioned by the school, are organizing a festive Culture Day! This year's theme is: Around the World Together.

During school hours, the children will take a trip to visit different countries right here inside the school. From 12:00 PM onwards, parents and caregivers are welcome to join us on the schoolyard for a cozy bring-your-own world picnic. Start thinking about a delicious snack to share with each other! Afterwards, the World Square Festival will kick off, featuring music, creative activities, face painting and henna, sports, and a sponsored run around the school. The festival will last until 2:00 PM.

So, be sure to save the date for June 24th! Following the Avondvierdaagse (four-day evening walk), we will send out all the details via email regarding the program, the picnic, the sponsored run, and how you can help out.

The student council and the Parents' Committee (OR)

New parent representative found for the TSO (Lunchtime Supervision)!

We recently looked for a parent/guardian to share ideas on behalf of all parents and represent the parental perspective in communications between the TSO, the school, and the students.

We are delighted to announce that we have found an enthusiastic representative! Beatrix, mother of Caspar from class 6A, will be taking on this role. From now on, she will join the meetings with the TSO management, school principal Menekse, and the student council to brainstorm improvements and provide feedback. She will also maintain direct communication with the MR (Participation Council).

We would like to give a big thank you to Beatrix for stepping up, and we wish her the best of luck in this wonderful role!

Change in frequency of Meernieuws

As of the next school year, the frequency of Meernieuws will change. Instead of the current bi-weekly edition, the newsletter will be published once a month starting from the new school year. This change allows us to bundle information more effectively and publish more compactly. For urgent updates in the meantime, we will continue to use the school's other communication channels. Thank you for your understanding.
