

Spring Break and Teacher Workdays: Time to recharge

Spring break is just around the corner, which means it's time for the children (and you!) to take a well-deserved break and recharge.

As mentioned in our previous newsletter, we have scheduled two teacher workdays (studiedagen) surrounding the break. This means the children will enjoy an extra-long weekend at both the beginning and the end of their holiday. The students will be off from Friday, February 20th, up to and including Monday, March 2nd.

While the children enjoy their free time, our team will be working on the topics we outlined in the last edition.

We wish all our families a wonderful, relaxing holiday and hope for some lovely spring sunshine. We look forward to hearing all the children's stories when they return on Tuesday, March 3rd!

School Photographer: March 5th and 6th

Please be advised that the annual school photographer's visit will take place on Thursday, March 5th, and Friday, March 6th. We kindly request that you keep these dates in mind.

The student council in action!

Our student council is very active on many fronts this year. This top team is dedicated to making our school the best it can be:

- Florien (6A) & Maas (6B)
- Nora (7A) & June (7B)
- Mayar (8A) & Romeé (8B)

Culture Day on June 24th

They are currently busy collecting ideas from all the children for the big Culture Day. They will soon discuss these plans with the Parents' Council (Ouderraad) to create an unforgettable day together.

A Great Lunch Break (TSO)

The council also regularly joins meetings regarding the lunch break supervision (TSO). This ensures that the students' voices are heard and that the break time is pleasant and fun for everyone.

Ambassadors of the School

In addition, the members of the Student Council show their school pride during the information mornings. They are the ones who give new parents a tour of the school, sharing firsthand what it's really like to be a student here.
